"Only the memory of the just Smoles sweet and bioscome in the dust." CONTRACTOR LICENSES OBITUARY.

WILLIAM POWELL THACKER was been June 3, 187, and died on the 28th of October, 1887, His was one of the mildest of many cases of a nondescript fever that prevailed in this vicinity until Monday might preceding his death on Friday moraling, when the fever attacked his brain and defied all treatment. Just before dying no turnes upon his allo without assistance and passed away to the better world as quietly and peacedly as a babe that falls to sleep. The deceased came to my house two years ago to assist me in my mercantile business, and was not long in impressing set only layself but all with whom he came in contact with his mantiness of character and absolute courtesy to all, his sorre used more words in business than were necessary, and being quick in conception and rapid in execution, combined with a consistent Christian life, he gave great promise of a theorem, the inhed business man in overy respect. He was scrupulously benest and ascer manificated the least desire to engage in the trivolides of life as common to one of his ago: always restring and modest in disposition and at the same time as brave as the bravest. His grief-stricken parents should be comforted in the fact that he has left behind him a model Christian life as a mounment to his memory, and has simply good before to Heaven to live with God's people. Kind friends followed his remains to the residence of his parents near Smokey Ordinary and goully laid alim away in mother earth until the resurrection mora. Saily do we miss him had ever expect to see his like again.

Noble boy, thou hast left us.

Soon we hope to meet thee By the grace of a Saviour's lave.
